DM PHOENIX

DM Phoenix is a licensed behavioral health facility in Arizona that caters to individuals with varied mental health, substance use disorder, or behavioral struggles. We have experienced mental health professionals on-site who help our residents gain better perspectives in life and eventually face life with dignity and ambition.

We apologize for the inconvenience.
As of 2/28/2021, DM Phoenix is now closed.

OUR SERVICES

DM Phoenix provides a safe home-like environment. Through treatment planning, we address the identified problem(s) that are interfering with healthy functioning. We understand that mental illness and addiction is a brain disease.

Our mental health professionals specialize in a wide range of services, such as:

- Gender-Specific Treatment
- Trauma Treatment Using Trauma-Informed Care
- Individualized Treatment Planning
- Group & Family Counseling
- Life Skills Training
- Assistance in Obtaining Employment
- Co-Occurring Therapy
- Assistance in the Self-Administration of Medication
- Individual Treatment Plan
- Case Management Services
- Monthly Team Meetings
- Discharge Planning

OUR MISSION STATEMENT

Our mission is to create pathways to a healthier lifestyle by transforming an individual's experience and guiding people with co-occurring conditions through the road to recovery.
